*"Passion makes your heart dance with joy!"*

### Mobile Classroom Update

Five classrooms are now in situ with the final three being delivered over the next two weeks. We can't wait to be back learning at Heighington!

Please remember that 'Remote Learning Day' is on Monday 19<sup>th</sup> February. This is to ensure that classrooms are ready and fully prepared for teaching on Tuesday 20<sup>th</sup> February.

Please refer to our school website for learning set by each class teacher. All learning will need to be completed before we return on Tuesday 20<sup>th</sup> February. We are giving you the flexibility to complete this learning at a time that is convenient to your family. Learning will be prepared by your child's class teacher and ready to access from Friday 9<sup>th</sup> February.

### Curriculum Update

We want to express our gratitude for your support during the split-site teaching at our sister academies, Witham and LSST. Assessments are taking place this week for Reading, Maths and Spelling. Children are well prepared for these assessments and are making good progress. Our teaching team are working together on prioritisation of curriculum areas and interventions on our return to Heighington. Outcomes of these assessments and planned interventions will be communicated during parents' evening next term (see Term 4 dates).

Your continued support is very much appreciated.
