ECO Group

The ECO committee would like to thank all the families who have been sending in ECO bricks. They look amazing! Thank you. If you have any spare 2 litre plastic bottles or 4pt milk plastic bottles then please send them in.

The group have also set the classes a litter picking challenge – which class can (safely) collect the most litter. Hawk are first to have a go and collected 1,450gms.

They have also started a little experience measuring the air pollution levels around school at different times of the day. They hope to share the results with you soon.
