Sports Events

We have had such a lovely time during the last few weeks, taking part (in a COVID secure way) in our Sporting Events. We have all been working together to earn points for our houses. The children have talked about how they have enjoyed working together to collect their points for their team.

Every child (who was here) will have taken part in a Sports Day. Some will have taken part with their class or unit bubble in a variety of events such as sprint, javelin, relay, etc. We then decided to run a COVID secure, whole school event in which some children took part in some extra events based on how well they had done previously. Their team mates were able to support as one whole academy.

It was lovely to see all the children cheer and being excellent sports. The whole school event had to be a slimmed down version of what we would have preferred to do, as we had to follow COVID guidance ensuring enough sanitising, cleaning and track and tracing could happen. We hope that in years to come we will all be able to take part together as one big academy family!

The winning team was Eure (Yellow).

We would like to congratulate some super sports people –
In Wheat, Bertie, Jenson, Poppy and Ella. In Barley, Esther, Thomas, Nylah and Lillie. In Lancaster, Mia, Emma-Louise and Charlie. In Bracken, Noah, Freddie, Sofia and Shyla. In Hawk, Hattie, Amelia, Benton and Harry. In Willow, Sophie, Charlotte, Holly and Sebastian. In Typhoon, Sophie, James, Faye, Regan and Mollie. In Poplar, Emily and Peyton. In Rye, Isla, Isaac, Harry and Charlie.

*And a special congratulation to our superstar supporters -
 In Barley, Luna, Ethan, Jackson and Jordan. In Lancaster, Alfie, Charlie,
 Ethan and Imogen. In Bracken, Violet, Shyla, Mason and Lucy. In Hawk,
 Jess, James and Charlotte. In Willow, Lennon, Olivia, Walter, Scarlett and
 Theo. In Typhoon, Louis, Annabelle, Austin and Bella. In Poplar, Frankie,
 Austin, Jemima and Lewis. In Wheat, Hunter, Matilda, Bertie and Lilly-Mai.
 In Rye, Ivy, Olivia, Jude, Alfie, Nancy and Alex.*

COVID News

We are still awaiting a DfE update with regards to the guidance for September. I am hoping that it will come before the end of term.

Guinea Pigs

If you are able to offer our guinea pigs a summer holiday this year, please can you contact the school office or email admin@millfield.lincs.sch.uk. Thank you.

Academic Year 2021/2022

As you may be aware, the government has created an additional Bank Holiday next year to celebrate the Queen’s Platinum Jubilee. As a result, both Thursday 2nd June and Friday 3rd June 2022 will be Bank Holidays. As both of these dates fall within May half-term 2022, the government has asked all schools to adjust their calendars accordingly in order to provide one additional day’s holiday at an alternative time.

*Therefore, the last day of summer term will now be **Wednesday 20th July 2022** (rather than the previously stated Thursday 21st July). Our term dates have been amended to reflect this.*

Future events

Meet your new teacher event – we intend to open the playground again so that parents are able to meet their child’s new teacher. You do not need to book an appointment, simply pop onto the playground with your child on Tuesday 13th July between 4 and 6. Staff will be dotted about – pop along and say hello! Please ensure that you remain socially distant at all times and perhaps pop back if the playground looks really busy. This is only for the children who will be moving into years 1 to 6.

Time for Road Safety

The newsletter from the LRSP Education Team

Term 6 2020/2021 Primary Parents Update

Children Playing

Now that summer has arrived, your children may wish to play outdoors with friends in the sunshine. Remind your children of the dangers when playing on or around the street, in car parks or anywhere in the vicinity of moving vehicles. Be aware that quieter residential areas will also have residents, visitors and delivery vehicles moving frequently in and out of the area, and it is very easy for drivers to miss a child in their blind spots when manoeuvring their vehicles.

Instead, use spaces for your children to enjoy their activities safely such as parks, play areas or gardens.

E-Scooters

E-scooters are growing in popularity, however it is illegal for privately owned e-scooters to be ridden in a public place, or a place where the public has access - supermarket car parks for example.

E-Scooters on hire, as part of a new government scheme, are allowed in public places, however there are strict rules (available from the hirer) that outline where they can be used. Despite the laws put in place to govern the use of E-scooters, they remain available to purchase, and many users have been seen riding them with little care and consideration for their own safety or other road users.

Drivers

Please take care when travelling around residential areas and villages. As we approach the summer holidays, there are likely to be more children out on the roads. If you drive an electric or hybrid vehicle, don't forget that many pedestrians may not hear you approaching.

Bikes

Always ensure that your child wears a correctly fitted cycling helmet to stay safe when riding a bike. Remind your child that it is dangerous and illegal to carry any additional passengers or objects on their bike as the balance will be affected which can lead to serious incidents and injuries.

Year 6 Transition to Secondary School

Many pupils will be travelling independently for the first time when starting secondary school in September. With so many new and exciting experiences happening at once, it is easy to take road safety for granted and staying safe can easily be forgotten. You can support your year 6 child throughout this transition, by helping them to think carefully about the ways to stay safe on their journey.

Practice the route with them if they are going to be walking, cycling or using public transport. You could consider together, the best route, pointing out the safest places to cross any roads, and how to deal with potential hazards along the way. Remember, the safest route is not necessarily the shortest one.

We wish you all a safe and enjoyable summer break. Look out for our Autumn edition of the road safety newsletter 2021-2022, which will be available in September. If you have any concerns or suggestions that could be included in a future edition, we would love to hear from you via our [email](#) address.
