Parent's Evening

We always look forward to parents' evenings. It is an opportunity for families and teachers to meet and discuss this academic year. We believe that gaining an understanding as to how your child has settled from both perspectives allows targets to be set and an opportunity to discuss any concerns.

At this time, we are limiting adult face-to-face interaction that is usual in school. We have decided to, once again, move parents' evening to a virtual platform called 'schoolcloud'. This will be in the form of a video meeting. If you have used the system before you will receive a link to book your appointment as normal. If you are new to school, please complete this online permission form allowing 'schoolcloud' access to aspects identified in the consent form - <https://forms.office.com/r/ipVMQTimen>. If you have any concerns, please contact the admin office.
