

Dear Children, Parents and Carers,

As you know it has been a funny old year so far. The festive season is nearly upon us and the children are already looking forward to opening their Advent calendars. In the spirit of Christmas 2020, we have decided to try to do Advent differently this year. We would like the children to bring some items of food or drink, so GIVE a little something every day. A Reverse Advent Calendar. If every child brings a little Christmas treat in, we should be able to generate quite a collection. Just to clarify, we are not expecting everyone to bring something every day, just something from each child if possible.

We will be making up Christmas goodie food/drink treat bags to support those members of our communities who are finding this time of year particularly tough.

If anyone knows of anybody who would benefit from one of our Christmas Advent bags, please let us know. An elderly person on their own, people who are furloughed with a reduced income. Let's all help our Heighington Community, any leftover food we will take to the local food bank at Branston.

We thought we would do this for the first two weeks of December, then we would quarantine the food, make up the bags and distribute in the last week of term.

Many Thanks

Millfield Christmas Elves
